

The Terry Town Council held a special meeting for the purpose of meeting with Stahly Engineering to go over the findings and recommendations that will be discussed in the Preliminary Engineering Report on the lagoons. The following people were in attendance: Council members Fred Rambur and Cindy Bond; Clerk Lynn Schilling, Public Works Director James Schilling, Robert Seamons and Ryan Rittal (Stahly Engineering), and Jason Rittal (EPEDC). Town Council President Rolane Christofferson presided over the meeting as Acting Mayor. Council member Clinton Rakes was unable to attend due to illness. As the meeting was informational with no decisions to be made, those present proceeded on even though a quorum was not present.

Robert Seamons gave an overview of the information to be presented in the Preliminary Engineering Report on the lagoons. A public hearing has been scheduled on Thursday, March 20th, at 7 p.m. to present the findings to community members. Jason Rittal will assist Clerk Schilling with the notices and advertising of the meeting.

There being no further business, the meeting adjourned at 7:36 pm. (Rakes/Bond)
