

The Terry Town Council met in special session for the purpose of reviewing bids on flushing and scoping the sewer main near the lagoons and working on the budget for 2016-17. The following persons were in attendance: Council members Cindy Bond, Caryn Rein, and Clerk Lynn Schilling. Mayor Rolane Christofferson presided over the meeting.

Mayor Rolane Christofferson called the meeting to order at 6:06 p.m. and led the Pledge of Allegiance.

The Council continued reviewing previous years' expenditures and establishing expenditure line item amounts for the upcoming budget year.

The Council reviewed the two (2) proposals received. Ryan Rittal (Stahly Engineering) had e-mailed Clerk Lynn Schilling stating that both looked aggregable to him. Council will proceed with the lower bid.

Council Member Cindy Bond initiated a discussion of the rural garbage contracts. Without knowing exactly how prior prices were determined, Council discussed ways to make determining a price easier and more consistent with prices in town. They will discuss further at the next regular meeting.

Having no further comment, questions, or public comment the meeting was adjourned at 8:15 pm. (Rein/Bond)
