

The Terry Town Council met in special session for the purpose of working on the budget for 2014-15. The following persons were in attendance: Council members Fred Rambur, Cindy Bond, Ken Lacquement, and Clerk Lynn Schilling. Mayor Rolane Christofferson presided over the meeting.

The council spent time reviewing previous years' expenditures and establishing expenditure line item amounts for the remaining funds in the upcoming budget year.

Council Member Fred Rambur expressed interest in looking into a leasing program for government entities that may allow the town to obtain a short-term lease for a small tractor for mowing along streets within the town every summer, as the town's tractor is in need of significant repair that may exceed its value. Clerk Schilling will ask PWD Schilling to look into the possibility of the lease.

Having no further comment, questions, or public input the meeting was adjourned at 9:20 pm.
