

The Terry Town Council met in special session for the purpose of working on the budget for 2015-16. The following persons were in attendance: Council members Cindy Bond, Caryn Rein and Clerk Lynn Schilling. Mayor Rolane Christofferson presided over the meeting.

Council discussed some of the preliminary work completed by Council Members Cindy Bond and Caryn Rein in establishing a street maintenance district.

Council Member Cindy Bond shared an excerpt of the Montana Code Annotated in reference to modifying the lighting district.

Mayor Rolane Christofferson stated that she had spoken with a local contractor who had excavated one of the town's gravel streets without any prior discussion with town personnel. Council Members discussed the need for a letter to be drafted and sent to any contractors/companies doing work involving the town's streets which lays out the section of the municipal code requiring a permit and proof of bonding.

The council then spent time reviewing the preliminary numbers in the budget as compiled by Clerk Lynn Schilling. Clerk Lynn Schilling will get the numbers transferred to the state budget document prior to the next meeting.

Having no further comment, questions, or public comment the meeting was adjourned at 7:37 pm.
